Course summary

Distance learning can open up opportunities for study. You might have not studied for a while, you might be returning to education, or you might not have had the chance to study at a higher level before. This free course, Am I ready to be a distance learner?, will help to boost your confidence. You'll explore useful skills so you can discover how ready you are to study and how to develop your study skills in six steps to become a successful distance learner.

Learning outcomes

By completing this course, the learner should be able to:

- identify areas of study strengths in preparation for becoming a distance learner
- explore and reflect on skills that are valuable for distance study
- identify opportunities to further develop your skills as a distance learner
- understand the attributes of a successful distance student.

Completed study

The learner has completed the following:

Section 1

Introduction

Section 2

How will I find time to study?

Section 3

Do I have the right skills for study?
